

**Terms of agreement with the team leader**

(To be signed by the student who is chosen as team leader)

I, Shubham Baranwal, student of Guru Nanak Dev Engineering College, participating as a team leader, in the e-Yantra Robotics Competition (eYRC 2019-20) conducted by the e-Yantra project of IIT Bombay, agree to take the following responsibilities:

1. Arrange for a No Objection Certificate from Guru Nanak Dev Engineering College and submit it to the e-Yantra team within the given deadline failing which my team will be disqualified from the competition.
2. Bring to notice of the organizers any change in the roles of the team members due to any unforeseen event, within 2 days of the change having been made.
3. Be a one-point contact for all communications between the team and the organizers, including reporting issues and uploading documents, Piazza discussion forum etc.
4. Ensure that Guru Nanak Dev Engineering College will provide the space and all necessary support (as agreed to by the college in the NOC), including leave from college to travel to IIT Bombay IF selected to participate in the finals.
5. Take full responsibility for the robot and ensure its proper handling. After the competition I shall hand it over to e-Yantra project of IIT Bombay along with all the accessories.

Signed: *Shubham Baranwal*
